Marriage Tribunal

**APPLICATION
FOR FORMAL CASE
FOR ANNULMENT**
(Rev. 2/2013)

INTRUCTIONS TO PROCURATOR-ADVOCATE

1. Have the person read the pamphlet, **FORMAL ECCLESIASTICAL DECLARATION OF NULLITY**, (Rev. 2/2013), before beginning the annulment process. This pamphlet explains many terms, answers many questions, and outlines the process of annulment.
2. Go over with the petitioner the **REQUIRED DOCUMENTS** which must be obtained.
3. **When you assist the person to fill in the PETITION, it is imperative that you clearly state the major reasons upon which the validity of the marriage bond is being questioned. Such reasons do not need to be stated in canonical language nor do you need to state a precise canonical ground unless you are certain of the canonical ground.** A copy of the PETITION will be sent to the former spouse when he/she is notified at the beginning of the annulment process.

A full treatment of the grounds for nullity cannot be given here. The following are only some brief thoughts about grounds. The person may be incapable of giving valid consent on the day of the wedding for a variety of reasons such as: severe mental illness, severe immaturity, psychological or social pressure, force and fear demanding that the wedding take place, pressure resulting from premarital pregnancy, alcohol/drug abuse, grave defect of judgment resulting from lack of freedom or pressure, and prior family circumstances such as alcoholism of parents or other acute family problems which affect the petitioner's judgment concerning the rights and duties of marriage which are to be mutually given and received.

Likewise a person may be incapable of living out the essential responsibilities of marriage due to: sexual disorders, personality disorders, severe alcohol or drug abuse, chronic irresponsibility.

Finally a person may have an explicit or implicit positive intention against marriage, or one of the goods of marriage consisting of the good of the spouses (community of life), openness to having and educating children, fidelity, and permanence.

4. Carefully read over and fill out the **MANDATE OF PROCURATOR-ADVOCATE** with the petitioner.
5. Carefully read over and make sure the petitioner has filled in completely the **AUTHORIZATION TO RELEASE PROTECTED HEALTH CARE INFORMATION** and make sure one is completed for each medical/counseling professional we are to contact. It is helpful if the petitioner notifies the professional that our request for records will be forthcoming.
6. Encourage the petitioner to take time to develop the Autobiographical Essay. Go over some of the questions with them, especially in the area of **COURTSHIP**. Support them. Let them know that it will take a number of sittings to finish the essay.

DIOCESE OF BIRMINGHAM
THE MARRIAGE TRIBUNAL
P. O. Box 12047
Birmingham, Alabama 35202-2047

Dear Petitioner (Person initiating Annulment Process):

In order to present your case to the Tribunal, we ask you to complete the following pages. This form should be filled out with the pastoral minister handling your case who will also become your Procurator-Advocate. In approaching the Tribunal, you are asking us to examine thoroughly a marital relationship and to make a judgment as to whether or not this relationship may be declared null (invalid) in the community of the Catholic Church.

Since marriage involves two people and the decision of the Tribunal judges will affect both parties, we must invite the participation of your former spouse. We will ask for information similar to that which we now ask of you. Whether or not your former spouse responds will not affect the Tribunal's handling of your case. Therefore, to prevent ill feelings, if you have contact with your former spouse please inform him/her that you are beginning this process. The purpose of the annulment process is not to place fault or blame on any party but rather to investigate the existence of a bond of marriage between the couple.

If, through this process, a Declaration of Nullity is granted, it will not affect the natural and civil obligations created by this marriage, such as the legitimacy of children, child support, visitation rights, or alimony. This process is conducted exclusively to determine the validity of the religious dimension of your marriage in accordance with the teachings of the Gospel and the Roman Catholic Church.

In order to handle our heavy caseload, it is necessary for the Tribunal to maintain an efficient office staff. We request a fee of four-hundred dollars (\$400), even though the total cost to process a case is in excess of fifteen hundred dollars (\$1500). The Diocese and Parishes make up the difference. Please understand, however, that no one is ever turned away from this Tribunal because of their inability to pay a fee for our professional services. If you have a serious difficulty in paying the fee discuss this with your Procurator-Advocate who will request the Bishop to lower or dispense with the fee.

Before filling out this form for a Declaration of Nullity, please read the form in its entirety with your Advocate. Study each question carefully and think how you will answer the question. Please don't panic when you see the questions. The various types of questions are very important to make a proper assessment of your former marriage. Please give serious thought to each question and answer as fully as possible. This will help your case.

Thank you for your cooperation in all these matters.

REQUIRED DOCUMENTS

Please submit the following documents along with this form. **You must send an original or official document and not photocopies.** An original or official document is one provided to you from a proper source, certified, and either is imprinted with a seal and/or an original signature of a proper authority testifying to its authenticity. **No photocopies of originals or official documents can be accepted.** Keep a copy for your file. Failure to comply will delay the acceptance of the case.

- () Civil Marriage Certificate [Obtainable from the county which issued the original document. In Alabama, may be obtained from any County Health Department.]

AND;

- () **Catholic Church Marriage Certificate** [If marriage was convalidated (blessed) in the Catholic Church, a Church marriage certificate from the Church of marriage is needed.]

Also include:

- () Completed Autobiographical Essay **SEE APPENDIX p.16**

Please use the witness form provided. It is your responsibility to see that your witnesses respond in due time. Failure of witnesses to respond promptly causes case delays.

THE MARRIAGE TRIBUNAL OF THE DIOCESE OF BIRMINGHAM

STATEMENT OF THE PETITIONER

It is my duty to provide the Tribunal with all required documents as well as a complete, current, and accurate list of all my witnesses. I agree to inform them that the Tribunal will contact them. I will make myself available to give personal testimony and to complete a personality assessment.

If the Tribunal is able to decide this case, there is no guarantee that the final determination will be favorable to me. I also understand that no guarantee can be given to me about when the annulment process will be completed.

I understand that I may not set a date for any future marriage in the Catholic Church until, and unless, an affirmative decision is given and approved by a second ecclesiastical authority. I understand that no Priest/Deacon/Advocate may provide me with even a tentative date for a future marriage in the Catholic Church.

A decision depends wholly on the merits of the case, the evidence, and exact reasons which the Church recognizes as grounds for nullity. I understand that if an affirmative decision is reached, that (a) either the Defender of the Bond or my former spouse may appeal it; and (b) stipulations against a subsequent marriage may be placed on me, pending an assessment of my readiness to live out a sacramental marriage. Either of these may delay my ability to set a date for a forthcoming marriage in the Catholic Church.

Because of the sensitive nature of the information gathered in this process and because the Tribunal wishes to promote the spirit of Christian Charity, all the information gathered in the course of this investigation is considered to be the exclusive property of the Tribunal of the Diocese of Birmingham. This information is never made available except as required by Catholic Church Law for inspection by the Petitioner or the Respondent or their Procurator/Advocate. The judge may curtail the availability of the information, even to the Procurator/Advocate, for special reasons that the judge may determine, to avoid harm to a party. The information is not made available to the witnesses or for any civil proceeding.

I will inform the Tribunal of any future change in my name, place of address, or civil marriage status.

I AGREE TO COOPERATE FULLY WITH THE TRIBUNAL AND TO BE BOUND BY THE POLICIES IN THE ABOVE STATEMENT. I SWEAR THAT THE TESTIMONY WHICH I SUBMIT WITH THIS PETITION IS THE WHOLE TRUTH.
